

# SOAK

## the Rabbi and Principal

Practice your Hebrew for 10 minutes a day, 5 days a month (outside of Religious school) and you can soak the Rabbi and Principal on the last day of school!

### Here's How it Works

Using your siddur, an app, your Hebrew workbook, etc, practice reading Hebrew aloud for 10 minutes. Practice 5 days a month and have your parent sign off that you did it.

### What will you get?

On the last day of school, Morah Heather will provide you with water balloons and you will get to soak the Principal and Rabbi!

Record your practice time on the back. Bring your form in once a month for Morah Heather to sign.
