

# *Shanah Towah!*

**Thank you for your support!  
It's important now more than ever  
for our Jewish community to stand strong!**

**The Melville Jewish Center community continues to build on our traditions and values to create a thriving world for the next generation. It is because of YOU, our members, in whatever role you choose to play, that we are strong and ready to face the future.**

**In 5782, we began envisioning what was needed to face the future:**

- We changed our name to the Melville Jewish Center
- Our new website will be launched in September
- Our new Rabbi and his family have become an integral part of our community and revitalized our Shabbat services and other events
- Student Cantor Rachel Black will be on hand to lend a beautiful musical element to our services during the year
- We now have a presence on social media
- Our Religious School program has been reimagined to better meet the needs of our young families
- Our Early Childhood Center implemented more STEAM play based learning to encourage active exploration and discovery
- The Village was created to provide a social community for our active 60+ members
- And much more...

**In 5783, we will begin a reJEWvenation!  
Join us on the High Holidays to learn more!**

**Looking forward to growing together!  
Cheryl Haiken and Lisa Travis, Co-Presidents**

**The High Holidays are a great opportunity for us to reflect on what we have done this past year and what we hope to accomplish in the coming year!**
